Keep in mind, this is only an estimate

Always refer to your school's financial aid offer for a final determination of financial aid available.

Your Student Aid Index (SAI)

Your SAI is an index number calculated using information provided on your FAFSA form. Your school uses your SAI to determine your federal student aid eligibility and to build your financial aid offer. Next Steps

1 Correct any errors on your FAFSA® form

Review your FAFSA form responses carefully and make sure all the information you provided is correct. To correct errors or add additional schools, you'll need to submit a FAFSA correction.

If you need to report significant changes in your family or financial situation, contact your college's or career school's financial aid office.

- If you need additional help with your FAFSA Submission Summary, contact your college's or career school's financial aid office or select "Visit Help Center" from the FAFSA home page. If your contact information changes, update your information in your Account Settings. Then, select "Make Corrections" to update the information on your FAFSA form.

2 Make sure your schools have everything they need

The financial aid staff at your school may contact you to resolve any issues related to information reported on your FAFSA form.

You can also reach out directly to your school and find out if any additional documentation is required.

3 Look out for aid-related communications from your schools

Once the schools you applied to have processed your FAFSA form, they will send you financial aid offers. These aid offers tell you what aid you can receive at a particular college or career school.

Keep in mind that you don't have to accept all the student aid that is offered, and that your schools may offer amounts that differ from your federal student aid estimates.

For Your Awareness

- VA Education and Training Benefits help veterans, service members, and their family members with needs like paying college tuition or finding the right school.
- You are not eligible for a Federal Pell Grant because you reported that you have a bachelor's degree, or you are working on a degree beyond a bachelor's degree. Your college's or career school's financial aid office will determine what types of student aid you may be eligible to receive.
- Based on the information we have on record for you, your Student Aid Index (SAI) is 52998. You are not eligible for a Federal Pell Grant, but you may be eligible for other federal student aid. Your college's or career school's financial aid office will use your SAI to determine your eligibility for other types of grants, scholarships, work-study funds, and loans.
